Applicants should note that:

1. No dogs or other domestic animals will be permitted in the areas approved for camping.
2. No attachments to trees, other than by rope will be permitted.
3. No solid construction: for instance utilising timber rails, timber or metal posts, pallets, iron sheets or the like, will be permitted.
4. No political signage to be erected.
5. Vehicles may enter campsites for the purposes of setting up and packing down, and are to remain outside of the camping area at all other times.

Applicants should also be aware that the *Public Reserves Act 1997* (NI) prohibits:

- depositing litter, refuse and garbage;
- lighting fires, other than in an approved fireplace or a portable gas barbecue or stove;
- interfering with a natural feature;
- picking or removing plants; and
- leaving or using motor vehicles in the area approved for camping, or on other parts of a public reserve not approved for that purpose (including the golf course).
