

VALE

Many residents will be sad to learn of the death of Kathleen Percival of Miami, Queensland.

Kathleen and her former husband Wynne were very much involved in the business community of Norfolk Island for some years, being owners of 'Paris Boutique' and 'The Gallery'.

A warm-hearted woman, Kathleen had been involved in Quota for many years before she came to Norfolk and became the first Charter President of the Norfolk Island Quota Club.

She eventually purchased flats in Taylor's Road, renaming 'Morningside' to 'Seaview Flats' and not long after selling 'Seaview' she left to live in her home at Miami, Queensland.

We understand that Kathleen died on Wednesday evening, 11th December, and her only relative is Kathleen Gibson of 4 'Bay View', Blackall's Road, Port Macquarie.

All Kathleen's friends on Norfolk Island convey their sincere sympathies to Kathleen Gibson in the loss of Kathleen Percival who we all remember as a kind, gentle person, always willing to help in community affairs and a dedicated member of Quota.

.....

On Tuesday 10th December it was indeed a shock to hear of the sudden death of Christopher Smith (Zac) as he was known on the island.

Christopher, only a matter of weeks ago, turned 30. He was working for Kerry Coop at Service and Hire Centre, as a mechanic.

Christopher's parents, Mr. and Mrs. L. Smith from Thames and his brother and wife, Tony and Raewyn Smith also of Thames were able to come across to attend the funeral on Friday, conducted by Father Des Scanlon.

Our heartfelt sympathies are extended to Zac's parents, brother and family and relatives in their so sudden bereavement.

.....

NOTICES
