

HERE AND THERE

.. Evan and Ella Chamberlain are again visiting Norfolk and have with them Noel and Aileen Jennings, Bruce and Edna Creswell and Mrs. Norrie Anderson - all from Palmerston North - and staying at the Paradise Hotel.

Evan and Ella have been coming to Norfolk for many years now and always manage to induce a party of people from around their area to come with them.

A happy holiday to you all!

.. Lovely surprise to have Dolly Mitchell (nee Gazzard) call on us this week. Dolly is over with husband Frank, staying with their family.

Although happy in her home and work in Palmerston, New Zealand, the call of her birth-place is very strong, says Dolly - and she can't stay away for too long!!

.. After 8 weeks on Norfolk, all the way from Canada, we know that Phyl Quantrill, mother of Alison Ryves, will be back!!

Phyl has been staying with Alison and Steve and baby Jaime out at Anson Bay and has had a truly wonderful holiday - she even came to Jazz Ballet with June one Tuesday night - and enjoyed that too!

Phyl is returning to Canada next Tuesday - but not departing until after the Bounty Parade in the morning! See you next year, Phyl?

THANK YOU

"Sincere thanks to all the Hospital staff concerned with my recent operation and also to everyone who helped during my convalescence"
Maggie Corby.

ANNIVERSARY DAY - PROGRAMME

The first thing to do on Anniversary Day - next Tuesday, 8th June, which is a public holiday - is to listen in around 8 am to VL-2-NI to find out the venue for the community picnic.

Programme for the day commences with assembly at the Kingston Pier at 9.30 am in preparation for the re-enactment of the Landing of the Pitcairners which takes place at 9.45 am.

After the Landing, the procession leaves for the Cenotaph - where the National Anthem is sung, followed by the placing of wreaths on the Cenotaph.

Then on to the Cemetery where Pitcairn hymns are sung and further wreaths are laid by Pitcairn descendants. The ceremony at the Cemetery concludes with the singing of the Pitcairn Anthem.

The procession moves back towards Government House where those in period and uniform proceed into the grounds of Government House to be met by the Administrator and Mrs. Trebilco.

At Government House there will be a judging of the various Pitcairn family groups.

While the family groups are at Government House all who are taking part in the picnic will gather at the venue announced earlier in the morning and make preparations for their luncheon which will commence at 1 pm, preceded by the singing of Grace.

Everyone on the island is welcome to bring their own picnic lunch and join in.

After lunch, there will be a cricket match - the Bounty Boys v Allcomers. This will be held on the Kingston Oval.

When you have enjoyed the cricket match it would be a good idea to go home and have a bit of a rest because in the evening there is the Bounty Ball to attend.

The Bounty Ball is free of charge - no admission fee and everyone - but everyone - is welcome to attend.

However, there is a stipulation as to dress - it is especially asked that all who attend do dress for the occasion (jeans are not permitted) and for the ladies, either short or long frock.

Before commencement of the Ball, the National Anthem will be sung and the School Choir will render a couple of items - a Benediction will follow - and then on with the Ball!

A highlight of the Ball is the Old Time Waltz competition - firstly the Buffett Trophy for children under 15 years (residents only) - and any boy and girl partner can 'have a go'. There is also the Engledow Trophy for the adult Old Time waltzers (residents only).

And - dars et - May you all have a most enjoyable and happy 1982 Anniversary Day.
