

VALE

We have received the sad news of the death of one time long time resident of Norfolk Island - Jack Fraser.

Jack passed away on 12th October in New Lynn, Auckland. He was 84 years of age.

Jack and his wife Edith were married on Norfolk Island and their four sons, David, Edwin, Bruce and Neville all attended the Norfolk Island Central School. They lived at Anson Bay.

A perfectionist in everything he put his hand to, he was a successful farmer on the island, growing beans and other crops. In his younger days he was a keen footballer.

Both he and Edith loved dancing and were seen regularly at the dances held so often in the days when they were resident on the island.

Jack was awarded a Medal for Bravery during his time on Norfolk, attempting to save another resident in an accident down a well.

Our sincere sympathies are extended to Edith, her boys and their families.

Messages of sympathy may be sent to Edith at 6/91 Astley Avenue, New Lynn, Auckland.

ADVENTURE AHEAD!

The Lions Club of Norfolk Island advise that they will sponsor two young people to attend an Adventure and Bushcraft Course to be conducted at Dip Flat, New Zealand, from 12th to 21st January 1987.

This course is run by the New Zealand Cadet Forces under the Ministry of Defence. Applicants must be between 15 and 17 years of age, male or female, of good health and in good physical condition.

Applications close on Monday, 10th November to the Secretary, Lions Club, P.O.Box 398, Norfolk Island.

HIBISCUS FESTIVAL.

On Sunday evening at St. Barnabas Chapel, Evening Service will be attended by members of the Chapel Choir who will render items during the evening.

The church will be decorated with various Hibiscus flowers to make it, as the name implies, an "Hibiscus Festival".

Anyone who has some special blooms of Hibiscus which they would like to provide for the decoration of the Chapel, please deliver them by 3.30 so that the ladies who are decorating can do so as quickly as possible after that time.

Members of the Choir who are taking part in the Service as reminded of the special practice at 2 pm. Thank you.

After the Service there will be the usual half hour of favourite and Pitcairn hymn singing which is very much enjoyed by those who can stay for that extra half hour. Our tour bus operators are always very co-operative in that they allow for that extra time after the Service for picking up their passengers.
