

TRIVIAL PURSUIT GOES 'NORFOLK'

A bus load of happy Trivial Pursuiters had an exciting evening with Michael Prentice last Wednesday. Alice Worsley of Radio 1ZB New Zealand, as the Hostess, gave the group Trivial Pursuit questions all with a local theme.

After the Sound and Light presentation, the group stopped at the Castaway Hotel for a delicious supper and more local Trivial Pursuit questions and then went on to Suite 33 at the South Pacific Hotel where Bob Hudson was doing his live broadcast from Norfolk to Sydney.

Several members of the Norfolk group were broadcast live to Sydney and some of the younger members, Shawn Higgins and Peter Yager particularly, acquitted themselves extremely well.

This was a night with a difference that will be remembered by all who participated and thanks go to Michael Prentice for his assistance.

Our photo shows - l. to r..Peter Yager, Plute Snell, Ann Snell and Kik Quintal waiting for Martin Snell to read the next question.

VALE.

I am sure all who knew Laurie Couper and his wife Joyce who lived on Norfolk Island for many years from about the middle 60's until around 5 years ago, will be sad to learn that Laurie passed away at his home in Tokoroa, New Zealand, last Saturday, 3rd August.

During their residency on Norfolk, Laurie and Joyce conducted the accommodation house 'Bounty Lodge' - now a restaurant - and built themselves a home at Bumboras when they sold the premises.

They both took part in community activities, Laurie was a Lion, having served as President of Lions and was also a keen bowler.

A quiet, gentle man, Laurie and Joyce made many friends on Norfolk and they had discussed a proposed visit here for October, although Laurie, who had been ill for 12 months or so with a heart complaint had been wondering if they could both make the trip.

Our deepest sympathies are extended to Joyce and sons Lindsay in New Zealand and Frank in Darwin - and all members of the family, in their sad loss.

... "A triple Thanks, to the citizens of Norfolk from Cliff and Lois of Orewa, New Zealand.

Firstly, to Chook Francis and Fletcher Christian for their assistance to me while trapped under the fishing boat which capsized coming in over the bar to Kingston Jetty on 19th July - and also the other residents who turned up to help in the boat rescue.

Secondly to Chook and Lois for their hospitality and kindness shown to us during our stay on your wonderful island.

Thirdly, to the members of the Bowling Club who made us most welcome - good bowling, great greens!

Most sincerely, Cliff and Lois Broxton."

A ROYAL VISIT.

H.R.H. Prince Leonard of Hutt, escorted by the Duke of Fairhaven and the Earl of Tarrengower, will be visiting Norfolk Island on a goodwill visit from Monday next, 11th August for 2 days.

The Royal party will be staying at the Hillcrest where a press conference will be held on Monday afternoon followed by a cocktail party and later an informal dinner with the Prince and local Consul.

On Tuesday a fishing trip and island tour are planned with a walk through the shopping centre to meet the local residents; a luncheon and an evening function are then planned including the announcing and investiture of a number of Knighthoods.

The Prince will also be guest speaker at Tuesday's Lions Club meeting.

The Royal party will depart for Australia on Wednesday.
