

LILLI PILLI CUBS VISITING

The Seventh-day Adventist Camp site is a whirl of activity at the moment with the 1st Lilli Pilli Cub Pack, Cook District, in camp there - 35 young Cubs with 3 Leaders and 5 other helpers.

We welcome to Norfolk Island, Leaders Geoff Sales, Janet McLachlan and Carolynne Hales and their helpers Jean Sales, Richard McLachlan, John Hales, Warren Sales and Narelle McLachlan - looks like a family conclave there!

And we welcome also, the Cubs - Andrew and Cameron Challenor, Scott Tasker, Scott Stewart, Nicholas Peak, Ben Amy, Ben Campbell, Richard Ford, Greg and Anthony Murrell, Gary Martin, Paul Hales, Andrew Robinson, Daniel Steege, Neil Jaunzems, Joel Hicks, Lane Clarkson, Shamus Cooke, Geoffrey Hopkins, David Ringrose, Leigh Wilkinson, Ryan Southwell, Garon Corcoran, Jude and Jamie Roberts, Ben and Luke Payne, Murray Ryder, Joshua Blue, Gavin Braithwaite, Andrew Coull, David Houghton, Murray Watts, Ben Sawtell and Michael Dare.

The weather has been beautiful and we know that the boys and their Leaders are enjoying many activities - and making many friends on the island.

.....

VALE

There are probably many on Norfolk who would know of the sad passing of Les (Davy) Davison in Auckland on 17th August - many will not.

Davy and his wife Ellen (nee Nobbs) had many years on Norfolk while Davy was a member of the Cable Station - in fact, they had two terms on the island amounting to some 9 or more years. Their daughter Jan (Robertson) was born here - their son was born in Auckland.

Over the last few years Davy has had several operations and he and the family have lived with the knowledge of his terminal illness for many years. Luckily, he was in hospital for a matter of 2 weeks only and passed quietly away without undue pain.

Our very sincere condolences go to Ellen and the members of her family on the loss of their beloved Davy - so well remembered and respected on Norfolk and wherever he was stationed in the years gone by.

.....

Ellen Davison and Jan and Gary Robertson and family would like to thank all who gave them support and sent messages of sympathy on the passing of Les on 17th August.

.....

LETTERS TO THE EDITOR

Sir:

The only sensible thing I have seen in connection with the Norfolk Island Development Plan, is the front cover carrying the words of our Anthem - 'In as much'.

Parts 1 to 3 are a lot of trash - so to save time and expense it would be a good idea if the planners and the Minister for Lands called the whole thing off.

Do they really think that we are idiots who will give the government control of our freehold property?

Remember - we are a territory UNDER Australia. They were asked to send a representative to keep Peace and Good Order in the form of an Administrator.

We went through all this a few years ago. Don't kid yourselves we are not going to go through it all again!

Norfolk Island was given to the Pitcairners. Yours, etc. Elva Yager.
