

THANK YOU.

...The United Rugby League Football Club would like to thank everyone who supported the recently conducted "Tradesman Team for a Day" raffle.

Bill Forsyth of Buck's Point was the lucky ticket holder and subsequently provided a list of modest duties to be performed.

The Club would like to thank Bill and Dinah for their efforts in making the day run smoothly providing the barbeque, refreshments and the substantial tip.

Again, the Greens thank all supporters and do hope to have continued support for the next "Tradesman" raffle during this month.

...The Community Arts Society would like to record its thanks to the Seventh-day Adventist Church for the generous donation of the use of their hall for both concerts - which was much appreciated, particularly by the team going to Rarotonga for the Arts Festival for whom the concerts were organised.

...Thank you to Dr. Young, Sisters Bonnie and Ruth, Debbie and the Nurses of Norfolk Island Hospital for their care during my stay there. Also to Bob and Anne with the Ambulance.. Isobel Borrett.

(We are glad to report that Isobel looks much more like herself now - it was the first time on 40 years that she had to resort to hospitalisation!!!).

...The Hospital Board would like to record its sincere thanks to the Administrator and Mrs. Kerr for the Open Day at Government House last Wednesday when an amount of \$1,065 was raised for the new hospital project.

Many thanks also to the sitters, the guides those who provided of the afternoon tea and all who helped in any way.

The floral decorations in the House were glorious!

May we, the guides, etc. on the day, also add our thanks for the lovely poseys presented to us.

APOLOGY - We do apologise to Miss Alice Buffett for the omission of her name in the list of helpers to Norfolk Legacy as published in our issue of 18th July. Quite unintentional. Sorry, Al!

HERE AND THERE....

...Welcome to Gwen Goodear on her 14th visit to Norfolk. Gwen, a familiar visitor, is here for 14 days, staying with Esther Greenham this time and meeting up with all her bowling friends on the green, and never misses on a visit to the Printery. Always great to hear your news, Gwen!

...Matthew Field is looking very happy at the moment! He has his mother Pauline from Toongabbie and his aunt Barbara Gooch from Berkeley Vale on the Central Coast, staying with him at Burglar's Lane.

Only a short visit but just great to have Mum and Aunt on Norfolk.

...Just great to know that Neil Buffett has come home from a series of radio therapy treatment and will not have to go back for more tests for another 12 months. Grandmother Doodie Christian, who is herself progressing quite satisfactorily from her recent hospitalisation, is thrilled to have Neil home- as are all the family . with that good news.

VALE.

It was with the deepest regret and heartfelt sympathy that we heard on Friday morning of the death over in Perth of the infant daughter of Marilyn and Mark Hayes of Selwyn Pine Road, on Thursday, 6th August.

Melanie Emily May Hayes was born on 19th October 1989 and has had a series of illnesses throughout her young life. Her advent was of great joy to Lyn and Mark and their daughter Rebecca - now 19 years of age - and no expense has been spared in efforts to regain her health.

Apparently Marilyn was visiting her brother Allan Patterson and family in Perth - and we hear that funeral arrangements will be announced later when Marilyn returns to Norfolk.

Our thoughts and prayers are with Mark , Marilyn and Rebecca and their many relatives in their great sadness.
