### **Paddy Cavill**

Our mother Paddy Cavill passed away 11th July. To all those who have cared for her at NI Hospital and Care Norfolk we pass on our sincere thanks. Both of us very much appreciate the kind support and friendship shown to Paddy by friends and the local community over the 50 years that she lived on Norfolk. Thank you all.

A cremation and private ceremony will be held in Sydney.

### **Club L**

Last Thursday evening 37 ladies of Club L welcomed Sharnie Marie Barney as their guest speaker. Sharnie is well known to many on Norfolk as she moved here in 2009. Her parents, Dennis and Judy Bates, followed her and still live here. Not long after Sharnie arrived she met Pete Barney who was to become her husband. They have 2 Norfolk Island born sons.

We were all interested to hear what Sharnie and Pete have been up to since they left our shores, and they have indeed been busy. During their time here they had been involved in several occupations and just before their departure Pete owned and ran a plant nursery whilst Sharnie concentrated on her fledgling business, Forj Marketing, which is a digital marketing agency. This has become a successful business operating in several countries.

Sharnie, Pete and boys decided to leave Norfolk in 2016 to explore the world. Their travels initially took them to Thailand, where they stayed for some time. From there they visited Cambodia, Malaysia, England (where they stayed in Bath with Pete's mother, Maggie, a regular visitor to Norfolk), then Ireland, Norway, Germany and France before returning to Thailand. After another sojourn there they returned to Australia to settle (for the moment) in Port Lincoln.

Sharnie's passion is to inspire people, especially women, to live to their full potential in all areas of life including business, relationships and personal fulfilment.

The venue for our evening was Paradise Hotel where we were once again treated very well. We extend our thanks to James, Ryan and Paula in the kitchen and Hannah and Ellie in the dining room.

Thanks from all of us to Fenella for arranging this outing in Lynn's absence, with only a small amount of help. We look forward to more of the same on 22nd of October. Be there or you'll miss out. No second chances.
