Shirley Goldsworthy

12/9/1937 – 5/01/2024

Shirley Goldsworthy passed away peacefully surrounded by Jessica and Debra on January 5th after a short illness.

She was the Loving wife of Bob of almost 69 years, mother to Robert, Debra, Brett grandmother to Bob, Rebecca, Jessica & Laura & great grandmother to Ciara, Henry, Angus, James, Isla, Callie & Oliver.

Shirley will be remembered as a beautiful, caring and generous lady.

Famous for the cakes she made each year for Jessica's birthday and for her culinary skills as well as being a fabulous hostess; she just loved to entertain.

A true trendsetter on Norfolk Island, founding member of the Garden Club, View Club & many other accomplishments including being an active member of the tennis club with Bob and could be seen dancing up a storm at the bounty ball.

Shirley started the Christmas street parade back in the 90's & there will be many who will remember the Christmas display in the window of Fragrance & Flowers & then Classic Collectables, It was known as the David Jones of N.I as it rivalled that illustrious stores Christmas display. I know many of you who are now adults with your own children will have fond memories.

My family would like to thank all the Islanders who had a huge impact on my parents lives when they

lived there, always ready to lend a hand & help them if anything went wrong.

We are all truly heartbroken with her passing and she will be forever missed.

Until we meet again.

Condolences can be sent to Bob & the family through Jessica
