

## VALE

Norfolk is surely becoming bereft of its 'true blue' Norfolkers.

We lost last week, 'Aunty Vic' Evans who passed away at the Norfolk Island Hospital on Saturday, 7th September in her 83rd year.

A daughter of George and Rubina Buffett, Victoria Ethlyne Jane Buffett went to school on Norfolk, later going to Sydney to work and coming back to look after her mother.

She married David (Dwad) Evans on Norfolk Island, he having died in 1971.

Like so many of the older generation, Aunty Vic had a heart of gold, a gentle and courteous lady with a good sense of humour and an untiring worker.

The great love of Aunty Vic's life was the loving care and attention she gave to her adopted son Glen, who has been in her care since he was 6-weeks old.

In his turn, during these latter years Glen has been a tower of strength to his mum, making many things easier for her around the house when she found walking a little difficult.

It is to Glen particularly, that we convey our heartfelt sympathies in the loss of this lovely lady who has portrayed throughout her whole life, the faith, sincerity and all the good characteristics of her forebears from Pitcairn.

We shall all miss Aunty Vic very much.

## THANK YOU.

On behalf of myself and other relations - I would like to convey my sincere thanks to Dr. Davie, Dr. Monk and a special Thank You to Matron Glynn Jenkins and all the hospital staff for the attention given to my mother while she was in hospital.

Thanks also to Puss Quintal, Gran Douran and her team of wreath makers, Rev. Black for his kind words and assistance, to the grave diggers, the pall bearers and to all who helped me in so many ways - for the cards and wreaths also.

Many, many thanks - Tardy (Evans).

**TENDER 9/85**

## **ERECTION OF STEEL FRAMED LIQUOR BOND WAREHOUSE, TAYLOR'S ROAD**

Tenders are invited for the erection of a steel framed warehouse building for the new Liquor Bond Store to be built in Taylor's Road.

The work will comprise the supply of all labour, tools and plant necessary to erect and clad a building 38.28 metres long by 18.4 metres wide by 10.2 metres high. Prospective tenderers should obtain a copy of the specifications and drawings from the Principal Engineer at the Administration Office, Kingston.

Tenders in a sealed envelope marked "Tender 9/85" are to be placed in the tender box at the Cashier's counter, Accounts Branch, Administration Offices, Kingston, by 4.21 p.m. on Monday, 23rd September 1985. The lowest or any tender will not necessarily be accepted.

**R.D. MALCOLM,**

Chief Administrative Officer.
